

COMFORTLINE

ELECTROMECHANICAL WORKS LLC

COMPANY PROFILE

ABOUT US

Foreseeing the emerging construction boom in the UAE, we a group of Enterprising engineers set up **COMFORTLINE ELECTROMECHANICAL LLC** as an **MEP Specialists organization** to cater for the fire fighting, fire alarm, electrical, HVAC and plumbing services demands of the construction industry.

Since then, the company has set new standards in the field, raising comforts to a sophisticated level and helping customers experience those services at its best.

MISSION & VISION

We aim at providing the best services possible that not only meet but rather surpass our customer's requirements and expectations; a quality product that is delivered on time and within budget.

We continually improve ourselves through regular and deliberate measurement of all quality related aspects. We innovate and develop our processes and procedures to accommodate changing conditions.

ACTIVITIES

Comfortline is capable of satisfying all the electromechanical requirements. Our major focus is on commercial and residential buildings as well as on the industrial requirements. We are in to the Design and Execution of Turnkey MEP solutions including HVAC, Electrical installations and Plumbing works for the Offices, Showrooms, Commercial/residential buildings, warehouses, villas and medium industries.
